

# GLOSSARY - INF 112 POKER GAME

## Poker terms:

Words:	Explanation:
<b>Act</b>	Make a decision ( <b>fold</b> , <b>check</b> , <b>bet</b> , <b>call</b> , <b>raise</b> )
<b>All in</b>	When a player has <b>posted</b> all the chips he had left in one move.
<b>BB/SB</b>	Big blind/Small blind. Positions on the table. Has to post a set amount of chips on the table before the hand starts. Big blind is usually twice the amount of the small blind. Small blind is left of the <b>dealer</b> position, big blind is left of the small blind.
<b>Bet</b>	The opening wager of a <b>betting round</b> . Must be a minimum of 1x <b>BB</b> .
<b>Betting round</b>	Every player in the hand bets until everyone have paid the same amount of chips, then the <b>betting round</b> is over.
<b>Blind level</b>	The value of the <b>BB</b> and the <b>SB</b>
<b>Call</b>	If a <b>bet</b> has been placed in the current <b>betting round</b> , a player can <b>check</b>
<b>Check</b>	If no <b>bet</b> has been placed in the current <b>betting round</b> , a player can <b>check</b> . This forwards the decision to the next player.
<b>Community cards</b>	The 5-7 displayed cards on the table.
<b>Flop</b>	The first three <b>community cards</b> displayed on the table.
<b>Fold</b>	Give up your current <b>hand</b> , giving you no chance of winning this particular <b>hand</b> . Typically done after someone has <b>bet/raised</b> .
<b>Hand</b>	The five best cards among a player's <b>hole cards</b> and the <b>community cards</b> .
<b>Heads up</b>	A poker game between only two players. May also refer to a larger session with only two players left
<b>Hole cards</b>	The two personal cards of each player
<b>Post</b>	Put the blinds ( <b>SB</b> and <b>BB</b> ) on the table
<b>Pot</b>	Total amount of chips <b>posted</b> on the table so far.
<b>Raise</b>	To increase the size of an existing <b>bet</b> in the same <b>betting round</b>

<b>River</b>	Last <b>community card</b> displayed on the table
<b>Sit and Go</b>	A poker tournament where the number of players already is set. Eg: If the tournament is a six-player tournament, the game doesn't start before six players has joined the tournament.
<b>Show down</b>	All players still in the hand show their <b>hole cards</b> and the winner is determined.
<b>Stack</b>	The amount of chips each player has at any given time during the game
<b>Startstack</b>	The amount of chips each player starts with
<b>Turn</b>	Fourth <b>community card</b> displayed on the table
<b>UTG</b>	Under the gun. Position left of the <b>BB</b> . This position is the first to <b>act</b> when the hand starts
